# Greg Hicks

President & CEO, Canadian Tire Corporation

In March 2020, one day after the World Health Organization declared COVID-19 a global pandemic, **Greg Hicks** was appointed President and CEO of Canadian Tire Corporation (CTC). At a moment of profound uncertainty for the country, he led one of Canada's most trusted institutions with steadiness, clarity, and an unwavering belief in people.

Now in his seventh year as CEO, Mr. Hicks continues to guide CTC through disruption and transformation, shaping a company that plays a meaningful role in the daily lives of millions of Canadians. Grounded in the purpose "We Are Here to Make Life in Canada Better," his leadership balances long term growth with national responsibility.

Widely respected for his calm leadership style and future-focused mindset, Mr. Hicks is recognized not only for what CTC has achieved under his tenure, but for how it has shown up for communities across the country.

Mr. Hicks serves on the boards of CTC and the Business Council of Canada. He was named Distinguished Canadian Retailer of the Year in 2023 and is a past recipient of Canada's Top 40 Under 40 Award.

Futures  
Fund

The Futures Fund Scholarship honours ten Canadian university business students each year who have demonstrated exemplary leadership in their academic and extracurricular initiatives. Through your generous support of this dinner, we will award \$10,000 scholarships to each to deserving student.
